**Subject: ITU Centres of Excellence for Asia-Pacific - Online Training Course on **Fifth Generation (5G) Implementation: Practices and Case Studies**, 27 June-3 July 2022**

Dear Sir/Madam,

I am pleased to invite your organization to participate in the online training course on “**Fifth Generation (5G) Implementation: Practices and Case Studies**”, to be conducted from **27 June-3 July 2022**. This training is organized jointly by the International Telecommunication Union and Universiti Teknologi Malaysia - Centre of Excellence, as part of the Wireless and Fixed Broadband training programme under the auspices of the ITU Centres of Excellence for Asia-Pacific region. The training will be delivered online in English through the ITU Academy portal.

This online training course aims to equip participants with industry best practises and lessons learned in 5G network implementation. The training course includes, review and discussion of 5G technology and implementation considerations, economics of spectrum management, spectrum and infrastructure sharing approaches, network deployment strategies and communication strategies of 5G roll-out.

The training is targeted at Executives, managers, engineers, employees from regulators, government organization, telecom operators, semiconductor industry, vertical industries, academia who are dealing with the implementation of 5G network and services. Other institutions and individuals that are dedicated to building their capacity related to 5G Technology are also welcomed to participate.

Detailed information of this training course and fees is described in the course outline, which can be downloaded from the ITU Academy portal at the following link <https://academy.itu.int/training-courses/full-catalogue/fifth-generation-5g-implementation-practices-and-case-studies-1>.

Registration should be made online at the aforementioned link no later than **Friday, 20 June 2022**.

Mr. Sean Sharidz Doral ([sean.doral@itu.int](mailto:sean.doral@itu.int)) from the ITU and Mdm. Hasline Binti Mohamad ([hasline@utm.my](mailto:hasline@utm.my)) from IoT Academy, are at your disposal, should you need any additional information.

We look forward to your active participation in this training course.

Yours faithfully,

Atsuko Okuda  
Regional Director
